EXPERIENCE

Advertising, Marketing, Promotions, Printed & Website Graphic Designer 2008 – Current

Trevi Entertainment Center, Lake Elsinore Ca.

I was the Marketing, Promotions and Graphic Design Director. My duties included supervising and designing marketing, advertising, printed graphic and web services for the company.

Printed & Website Graphic Designer 2004 – 2008

NFP Designs, Banning, Ca.

Provided professional graphic design, advertising and web services for a variety of businesses, including two motorcycle dealerships, two tattoo studios, a collision repair center and several e-businesses.

Web Design, Scripting and Programming 2007 - 2008

Crafton Hills College, Yucaipa, Ca.

During an internship I assisted in providing hands-on revision and management of the college website including maintenance, design, departmental requests and updates, website authentication and re-design.

Security Professional 1993 - 2003

US Department of Defense • Morongo Band of Mission Indians • United International Investigative Service • Inter-Con Securities

Provided security and protection for persons and property in the Transportation Security Administration, High Profile Entertainment Industry, Personal Security, Casino and Indian Reservation Protection as well as protected property and cash in excess of two million dollars.
